GREEN MANTHRA  
DEVELOPERS (P) LTD

## Experience a whole new world with Ananda Habitat

The leaders at the helm who brings about decades of proficiency and know-how in creating organic real-estate layouts that breathes fresh air into the lives of people living and working in harmony amid biodiversity has led to few landmark projects in Chennai, Bengaluru and Hyderabad. We craft each and every concrete structure from the tall, raise building, living space to create city within the city, providing an experience of welcoming, comforting and distinct.

We at **Ananda** consciously work towards building an eco-friendly, green projects and is totally committed to making living experiences refreshing. The formula for the company's success lies in a customer oriented approach and delivering projects that by far exceed client expectations.

With **Ananda Habitat** we let you live amidst the nature's lush green surroundings, the hint of a birdsong filling the early hours of the morning, take a chance to stretch your feet on the fresh morning grass, the news in print or take a walk in the gardens of your own house.

We create our project's layout with great understanding of the layout giving you the luxury to indulge and offer an environment that is simultaneously relaxing and exhilarating. Sounds unbelievable, but

Nature plays the sweetest music

yes, we at **Ananda Habitat** make it possible. Our city away from city layouts are fast becoming a sought after option as they open new vistas of living with an array of trees, notably neem and many more botanical trees and plants to reckon.

Strategically located this project is a virtual paradise of organic integrity near Oragadam and reflects in every sense the commitment we put forward in providing well planned layouts. The approach to sustainable property development aims to minimize negative environmental impacts and enrich the bio-diversity of the nature surrounding the project.

Strategic location, picturesque setting for **Ananda Habitat** endowed by nature's beauty. The lush green landscape, the breeze, the settings, etc. make it the ideal choice for holistic living and life time worthy investment.

Relax and avoid the stresses of modern day life. Being away from the hustle and bustle of city life, makes our project suitable for a wise investment.

## Destination Oragadam

Rise of Automobile/Electronic giants has made Oragadam into one of the fastest growing metropolis in the country. This new settlement benefits immensely by being in a city geared up for the future which has more than 22 fortune 500 companies and thousands of other reputed organizations in the vicinity.

Global giants such as YAMAHA, Royal Enfield, Daimler-Benz, Renault-Nissan and Komatsu, Samsung, Dell, Flextronics and Foxconn have made Oragadam their base. Many more global automobile and electronic manufacturers are in the process of setting up their plant in Oragadam. The upcoming Aerospace SEZ besides **“Ananda Habitat”** will further enhance the value of the location.

With more than 1000 companies in the Oragadam-Sriperumbudur belt, Oragadam is aptly called as the 'Manufacturing Destination of Asia', and may soon be termed as 'The Manufacturing Destination of the World'.

**“Ananda Habitat”** is right in the middle of this successfully evolving Automobile/ Electronic manufacturing Hub.
